PACKAGING TAPE

HEAVY-DUTY

DESCRIPTION

The **HEAVY-DUTY C-725/726** packaging tape is ideal for packaging requiring superior performance. Its properties make this a highly weight-resistant tape and is designed for heavy-duty carton sealing applications. Its adhesive is highly aggressive, providing the necessary safety and support for the most demanding packaging work.

USES

- **Secure Shipping:** Seal and reinforce cardboard boxes for shipping, ensuring that the contents remain intact and protected during transit.
- **Industrial Repairs:** Temporarily mend or reinforce heavy equipment, boxes, or containers in industrial settings where a durable and strong tape is needed for quick fixes.
- **Moving and Storage:** Use heavy-duty packaging tape to seal moving boxes securely, providing extra strength to withstand the rigors of relocation and long-term storage.

FEATURES

- Aggressive adhesive.
- Exceptional holding power.
- Resist tearing.
- Excellent performance on recycled corrugate
- Easy Unwind.
